Pedicure With Results

LCN offers great pedicure products as well as its unique Wilde-Pedique, the only gel on the market specifically designed for toe nails.

Toe Nail Gels

Wilde-Pedique is the only UV Gel on the market designed specifically for toe nails. The finished nail is non porous, light and durable, has excellent bonding capacity and contains the anti-fungal agent Piroctone Olamine. It is completely different from finger nail gel as it is highly flexible and can take the pressure of shoes and an active lifestyle.

- The perfect French Pedicure
- Disguising unsightly nails
- Building a new nail into an empty nail bed
- Replacing nails lost through trauma
- The choice of 6 shades

LCN gels are all compatible with each other! For French manicure and colour gel finishes.

See LCN UV Gels in nails section page 75
